

UNIVERSITY OF NORTH CAROLINA AT ASHEVILLE
2014–2015 Tuition and Fees, Room, and Board (per semester)

Tuition Due Dates:

Fall semester tuition is due August 1st each year
 Spring semester tuition is due December 15th each year
 Summer term tuition is due May 20th each year

Above dates are for pre-registered students. Pre-registered students are expected to pay any portion of their tuition, fees, room, and board that will not be covered by financial aid, scholarships, Voc Rehab, VA benefits, or a payment plan through Tuition Management Services by the due date shown.

Students who are not pre-registered and who register after the standard due date for the semester will be expected to pay for classes on the day that they are allowed to register.

Student Responsibility for Charges:

The University of North Carolina at Asheville attempts to make sure each student is notified of charges to his/her student account. However, charges go on at various times throughout each semester depending upon when the student registers and the student's particular activity. **Failure to receive a billing statement does not relieve any student from financial responsibility for charges on their account. It is the student's responsibility to monitor their student account and to pay for any charges on their account in a timely manner.** Failure of the student to pay charges on their account may result in not being able to register for future classes, not being able to receive a transcript and being assessed late charges and interest on past due balances.
