

2010–2011 Tuition and Fees, Room, and Board (per semester)

Tuition Due Dates:

Fall semester tuition is due August 11, 2010

Spring semester tuition is due December 15, 2010

Students are expected to pay by the dates above for any portion of their tuition, fees, room, and board that will not be covered by financial aid, scholarships, Voc Rehab, VA benefits, or a payment plan through Tuition Management Services.

Student Responsibility For Charges:

The University of North Carolina at Asheville attempts to make sure each student is notified of charges to his/her student account. However, charges go on at various times throughout each semester depending upon when the student registers and the student's particular activity. **Failure to receive a billing statement does not relieve**

any student from financial responsibility for charges on their account. It is the student's responsibility to monitor their student account and to pay for any charges on their account in a timely manner. Failure of the student to pay charges on their account may result in not being able to register for future classes, not being able to receive a transcript and being assessed late charges and interest on past due balances.

Tuition rates are subject to change by the General Assembly
