

1. Once you are in ePayment, select 'Refund Account Setup'.

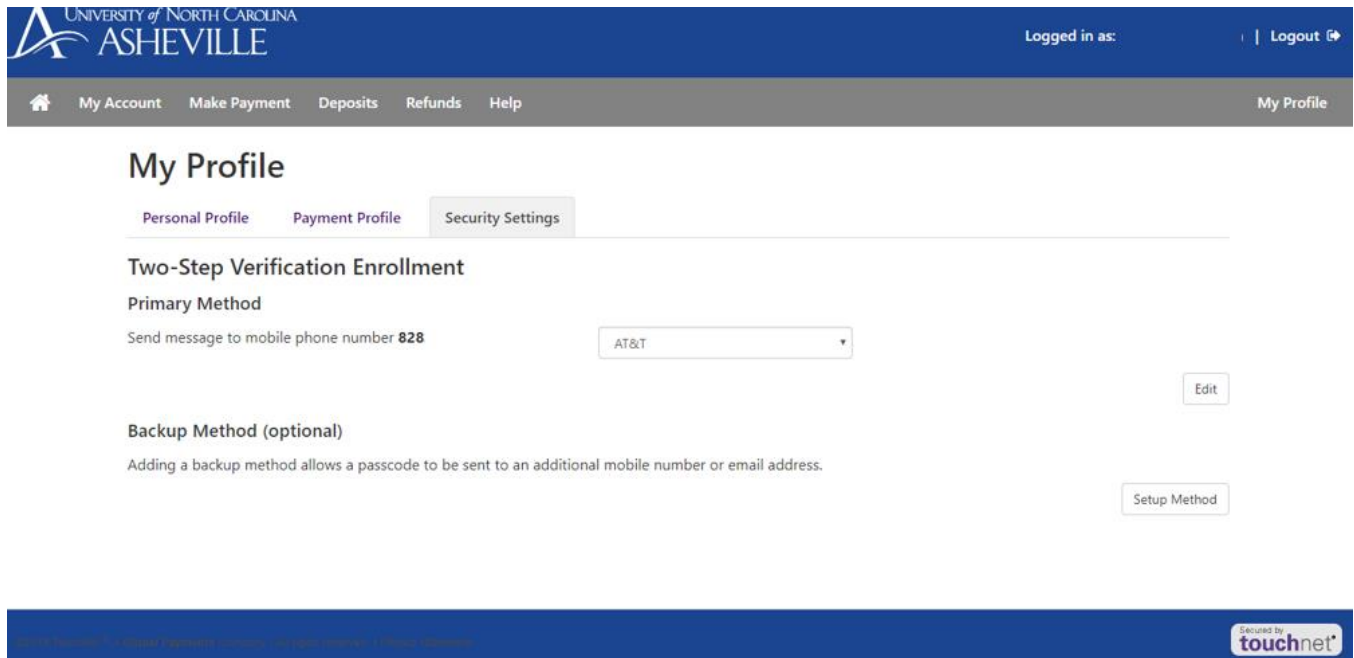

2. You will need to set up Two-Step Verification first by clicking on Security Settings.

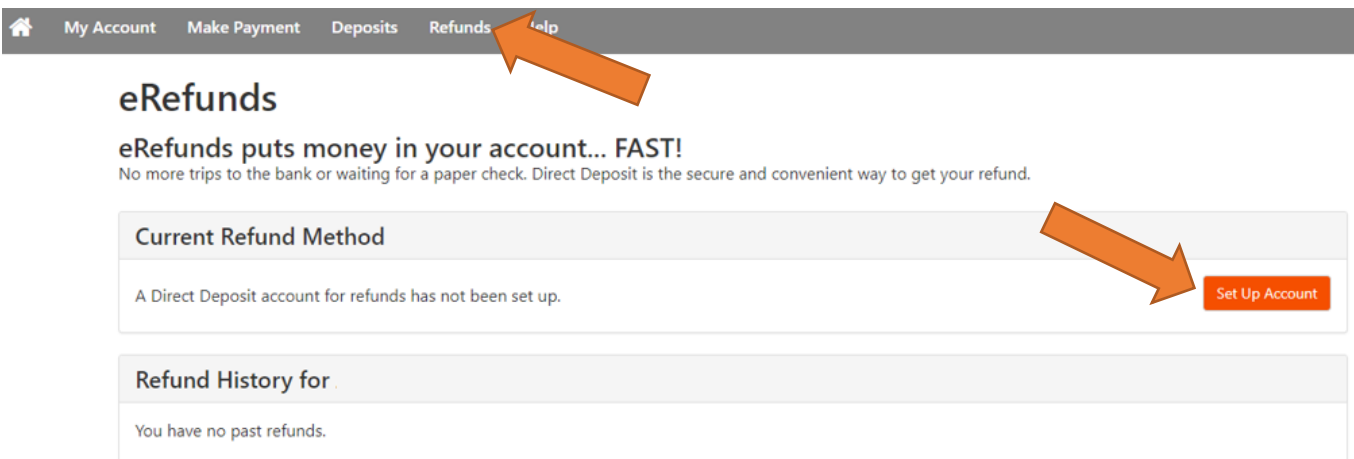

3. Select the method you would like to verify payment profile changes and follow instructions to complete it.

4. Once complete, it will look similar to the image below.

5. Select Refund at the top of the page in order to set up your direct deposit eRefund Account.

Set Up Refund Account

Account Information

*** Indicates required fields**

You can use any personal checking account.
Do not enter other accounts, such as corporate account numbers, credit cards, home equity, or traveler's checks.
